## **Strike Force Agency LLC – Business Tradeline Reporting Policy**

*Last updated: August 25, 2025*

### **1. Program & Eligibility**

You must be 18+ and legally able to participate. We may approve or reject applications at our sole discretion.

### **2. Compliance & Claims**

No misleading statements or guarantees of credit outcomes. Use approved disclosures: our products/services may help establish business credit history via reporting. Follow platform rules (Meta, TikTok, LinkedIn, etc.) and applicable laws (FTC Endorsement Guides).

### **3. Links, Cookies & Attribution**

Sales are tracked by your unique affiliate link/ref ID. Last valid click generally applies. Tracking methods may change for accuracy/fraud prevention.

### **4. Commissions & Payouts**

Rates: 50% of tradeline monthly dues (non-promo), 25% during promo, 10%–20% vendor marketplace referrals, plus additional services as listed on the Affiliate Program page. Paid twice monthly via ACH, subject to refund/chargeback periods and a \$50 minimum.

### **5. Refunds, Chargebacks & Cancellations**

Refunds/chargebacks reverse the related commission. Negative balances may offset future earnings.

### **6. Traffic Quality & Prohibited Conduct**

No spam, bots, incentivized clicks, cookie stuffing, brand bidding on “Strike Force Agency” or variants, or unauthorized couponing.
